

Features:

- MADE IN GERMANY
- The WK 5 faucet has a luxurious and exquisite finish, which fits into every kitchen.
- In the basic setting of the lever only cold water runs through the WK 5 faucet. Hot water will only be added by turning the lever to the left. This way you save energy and also protect the environment.
- The wear-resistant silicone gasket and the solid brass body used, do not only support our very high quality, but also make the faucet particularly durable.
- Energy-saving cold-start technology
- Turnable by 360°
- Smooth-running cartridge with hot limit ring
- Solid brass body
